International Scientific Journal

Theoretical & Applied Science

Materials of the International Scientific Practical Conference

European Innovation

30.09.2014

Martigues, France

The scientific Journal is published monthly 30 number, according to the results of scientific and practical conferences held in different countries and cities.

Each conference, the scientific journal, with articles in the shortest time (for 1 day) is placed on the Internet site:

<http://www.T-Science.org>

Each participant of the scientific conference will receive your own copy of a scientific journal to published reports, as well as the certificate of the participant of conference

The information in the journal can be used by scientists, graduate students and students in research, teaching and practical work.

International Academy expresses gratitude for assistance in development of international connections and formation of journal:
